

Do it

A

How to do it

1 Match the words and the pictures.

cover	peel	rub
scratch	shake	stick

2 Here are some useful practical tips for everyday life. Unfortunately, the beginnings and ends have got mixed up. Can you sort them out?

To make tomatoes easier to peel,

If you want to pick up a rabbit,

To get cigarette stains off your fingers,

If you catch German measles,

You can clean dirty saucepans

To get dust out of a guitar,

If two glasses are stuck together,

To get small scratches off your watch glass,

You can make tight shoes more comfortable

rub them with lemon first and then wash them.

rub it with liquid brass cleaner.

cover them with very hot water for a minute or two.

put cold water in one and stand the other in hot water.

by packing them with wet newspaper and leaving them overnight.

don't hold its ears.

don't visit anyone who is pregnant unless you're sure she's already had them.

put rice inside it, shake it and empty it.

by filling them with cold water and vinegar and letting them boil for five minutes.
